Fax: 8582 3190

Dear Sir,

**Re: Application for Board Membership.**

I wish to apply for membership of the Board of the Riverland Division of General Practice.

I am an international medical graduate with 12 yrs experience as a rural general practitioner. I obtained my primary medical degree from the University of Nigeria in 1998. I also hold a masters degree in Family Medicine from the University of Stellenbosch, South Africa and Fellowship of the Royal Australian College of General Practitioners.

I have lived and worked in Loxton since June 2006 and in that time I have been involved as a member of the RDGP. I now would like to take my involvement a step further by seeking appointment as a member of the board and in this I have the support of my colleagues at the Loxton Medical Practice.

I realize that my application comes at a time of change for the divisions of general practice with the transition to Medicare locals. I would like to be afforded the opportunity both to be involved in and learn from the process. In addition, Loxton medical practice wishes to remain fully engaged through the process of evolution and into the future.

I look forward to hearing from you soon.

Yours sincerely,

Dr. Godfrey Amaechi  
Loxton Medical Practice
