Riverland Division  
of General Practice Inc.

The Riverland Division of General Practice developed “Lulu’s Good Day” as a health awareness, health promotion strategy for the Riverland community.

In “Lulu’s Good Day” Lulu is celebrating her fourth birthday and she embarks on an immunisation adventure to the medical centre, with her friends Dixie and Curly.

This is the second book in our **“Healthy Children, Healthy Community”** series. In our first book “Lulu, Dixie and Curly Count to Ten” we introduce your child to counting and promote healthy foods along the way.
